## No Dental Insurance? We have you covered!

Access to exceptional dental care should always be available to patients of all ages – with or without dental insurance. We created the Pine Mountain Family Dentistry In-House Dental Savings Plan to specifically cater to:

- {  
✓ **YOUR** smile  
✓ **YOUR** budget  
✓ **YOUR** health  
}

### Why Choose Us

We are dedicated to providing the highest possible level of dental care – and using the best technology available to do it. We want your family to get the treatment you deserve at a personalized pace and an affordable price. Our plan makes it possible and convenient for you.

# Dental Savings Plan *Annual Fee*

## Neighbors are saying...

"Even after 16 years, I have never been disappointed with the service I received. The staff and the doctors are very pleasant and always answer any questions I might have. The staff and the doctors stay current on the latest dental technology. We are fortunate to have such good dental services in Pine Mountain."
